I LOVE the month of March! It's when the trees seem to come to life again...flowers magically appear out of the ground. I remember in the Bible where it says, "Most assuredly, I say to you, unless a grain of wheat falls into the ground and dies, it remains alone; but if it dies, it produces much grain." (John 12:24). Jesus said that it's only when we give up ourselves that we find true life. So this spring, when everything around you is blooming, let your life bloom for the Lord. Remember: He died for you... and He arose!
